## **Admissions Procedures Grades 1-5 2012-13**

We want children to thrive in the SJCS environment; therefore, we seek a match between the school and each student. Four major factors are considered in making a decision for acceptance to SJCS. These include:

1. Readiness for our program
2. Cognitive and social skills
3. Transcripts and input from current teachers/school
4. Assessment of student in the SJCS setting and/or interview with student

The procedure for application to Grades 1-5 at SJCS is:

- Completion of the admission application and payment of \$100 application fee, no later than January 12, 2012
- Completion of Request for Transcripts Form and SJCS's receipt of the Teacher Comment Form
- Assessment and/or interview

Children who would be a good match for our program, but for whom space is not available, will be put in a wait pool and offered a space, should one become available.
